pradesh**

**Hobbies - Dancing , Drawing**

# About Her

My ambitious goal is to swiftly ascend to the potential environment career. I am still exploring my career options and enthusiastically waiting for practical experience in this field. I want to be a self-independent so that I can value my individuality, maintaining a sense of financial and emotional independence, and being capable of navigating life's challenges with resilience.

As for school I have actively participated in extra curricular activities like creativity based workshops, olympiads etc. I am the part of different clubs in my college such as "ek bharat shrestha bharat" initiated by govt of India in 2015 for doing cultural exchange programs through dance, music, fashion show and different kinds of activities. As for career perspective I have done internship from CPCB for 1 month and also volunteering in esteemed shishya samaroh.

Likes : Making doodles, Reading manga, dancing, Badminton, Watching drama from different countries, listening to music , volunteering in different social activities, origami, napping etc.

Dislikes : self centeredness, backbiting, doing chores, oversharing

# About Her

I am Arushi Mukhopadhyay, a soul filled with curiosity, passion and a deep love for nature. I am an environmentalist striving for change, currently pursuing a bachelor's in environmental sciences. Since a young age I have dedicated my life to sustainability and will continue to do so in my private and professional life. I wish to use my time and efforts to create a positive impact.

Aside from environmentalism, I tend to dabble in activism regarding various social issues, educating myself and providing support wherever possible.

My hobbies are reading books, engaging in various forms of art such as drawing, painting, 3D modelling, and make up, photography, learning the ukulele and the piano, fitness in form of gym, yoga and jogging, watching and playing sports.

**Dreams:** To pursue a PhD  
**Future Plans:** To be a researcher and support the noble cause of reverting environmental damage

**Fitness:** Regularly frequenting the gym, doing yoga, occasionally engaging in sports such as football and basketball.

**Beauty:** Highly interested in skincare and makeup

**Likes:** All lifeforms especially cats, Empathy, Music, Sports, Art, Makeup, Movies, Shows, Anime, Manga, Science, Books, Cooking, Baking and Food.

**Dislikes:** Narrow mindedness, lack of understanding, cruelty, judgemental people.
