Medical Check-Up Camp at Academic Heights

Anil Arora Sub-Editor New Delhi
: A Step towards Better Health
Academic Heights World School successfully hosted a Medical Check-Up Camp on Saturday, June 22nd, marking a significant contribution to the health and well-being of students and the community. This event underscored the school's commitment to ensuring that students not only excel academically but also maintain optimal health. The camp featured a distinguished team of doctors from RGCRC, including Dr. Brijesh (Oral Surgeon), Dr. Shrey Kansal (Dentist), Dr. Divya Kansal (General Physician), and Dr. Indu Aggarwal (Gynecologist). They were supported by the skilled nursing staff, Ms. Jyoti, Ms. Kavita, and Ms. Twinkle, along with the dedicated helping staff, Mr. Sudhanshu, Mr. Arvind, and

Mr. Ramesh. A team of diligent interns, including Ms. Yusra, Ms. Muskan, and Ms. Mehvish, ensured the smooth running of the event. Ms. Rosy Ahuja, Director of Academic Heights

World School, expressed her satisfaction with the event, stating, "We are honored to have hosted this important event that focused on the health and well-being of our students and com-

munity. At Academic Heights, we believe that a holistic approach to education includes, ensuring our students are in good health. This medical camp reflects our unwavering commitment to our students' overall development." Dr. Brijesh, an oral surgeon from RGCRC, also shared his thoughts on the event: "It was a pleasure to be part of this initiative. Regular health check-ups are crucial for the early detection and prevention of potential health issues. The enthusiasm and participation from the community were truly commendable." School authorities extend heartfelt thanks to all the medical professionals, nursing staff, helping staff, and interns who contributed to the success of this camp. Together, we have made a positive impact on the well-being of our community.

I am a senior citizen, fuelled by the passion of a teenager, which is evident in every facet of my life. Although my roots lie in Delhi, my upbringing spans various parts of the country, as my father too was a commissioned officer in the Indian Air Force. Raised in a disciplined defence environment and having served in the same disciplined profession, discipline has become ingrained in my life.

Journey:

My life's journey spans over six decades, delineated into three distinct phases. The initial two decades were a vibrant tapestry of exploration and adventure, as I traversed every corner of our great nation as my father was a commissioned officer in the Indian Air Force. Following in his footsteps, I embarked on my own career in the Indian Air Force, spending the next two decades in service to my country. However, my trajectory took an unexpected turn as I transitioned into the corporate world, delving into the realm of safety. This evolution not only marked a change in profession but also underscored my enduring dedication to safeguarding others.

Witnessing tragic workplace fatalities fuelled my passion for training, propelling me to bridge the gap between theory and practice. With a fervent desire to prevent the tragic and avoidable fatalities in the workplace, I embarked on a mission to bring about a transformative shift in peoples attitude towards safety. Transitioning from a military background to a safety professional, my life has now found a new purpose, earning for me the title of a 'Soldier turned Saviour', as I continue to champion the cause of workplace safety.

Dreams:

Presently, my singular aspiration envisions an India where precious lives are not lost in unnecessary, unfortunate, and preventable accidents, whether in workplaces or on the roads. My mission of 'Making India Safe,' is my commitment, dedicated to eradicating avoidable tragedies and fostering a safe environment for all.

Works:

I am an Internationally Certified Corporate Safety and Soft Skills Trainer, Author, YouTuber, Personality Trainer for Civil Services Exams, Sportsman, Adventure enthusiast, and a Sports Commentator on All India Radio & Doordarshan.

With a rich portfolio, I have conducted over 2000 safety training programs for various organisations and corporates globally, and more than 500 soft skills training sessions for diverse entities, including corporates, educational institutions, colleges, and NGOs.

I have authored a book on safety titled 'Organic Safety – Awakening the Safety Mind'. The purpose of this book was to break several myths associated with safety and to develop an 'Attitude for Safety'. I have already started my work on my second book titled, 'Safety Leadership', which I intend to release this year.

Through my YouTube channel, 'Organic Safety,' which boasts of over 200 videos and nearly 2500 organic subscribers, I strive to elevate safety awareness and transform attitudes, aligning with my dream of 'Making India Safe.'

I was featured on the cover page of 'Fire Engineer' in February 2020.

I was honored with the 'Safety Professional Excellence Award' at the World Environment Summit in January 2020, and the 'Best Trainer Award' in 2013 from ISTD. Additionally, I received commendation from the Chief of Air Staff in 1999.

I am a prolific writer and have contributed numerous articles to leading magazines, showcasing my dedication to safety and training excellence.

Mr. RAJAT SHARMA

Journey

In his early years, this incredible person had a very difficult life. He was subjected to severe abuse by his father, which made him decide to run away from home when he was only 14 years old. He didn't have anyone to rely on or any money, so he had to find ways to survive with very little food.

But this young boy never lost hope. He kept believing in a better future for himself. He took up all sorts of jobs like cleaning, working as a waiter, and helping out at a doctor's office just to make sure he had enough to eat and a place to stay.

Even though life was tough, he never gave up. And as fate would have it, something amazing was waiting for him in the future. He had a special talent and a fearless attitude that led him to pursue a career in journalism, specifically focusing on local news.

His inspiring journey from a troubled past to a position of influence teaches us that no matter how difficult our circumstances may be, we should never lose hope. With determination and perseverance, we can overcome obstacles and make a positive impact in the world.
